## From PORTLAND 09/23/07

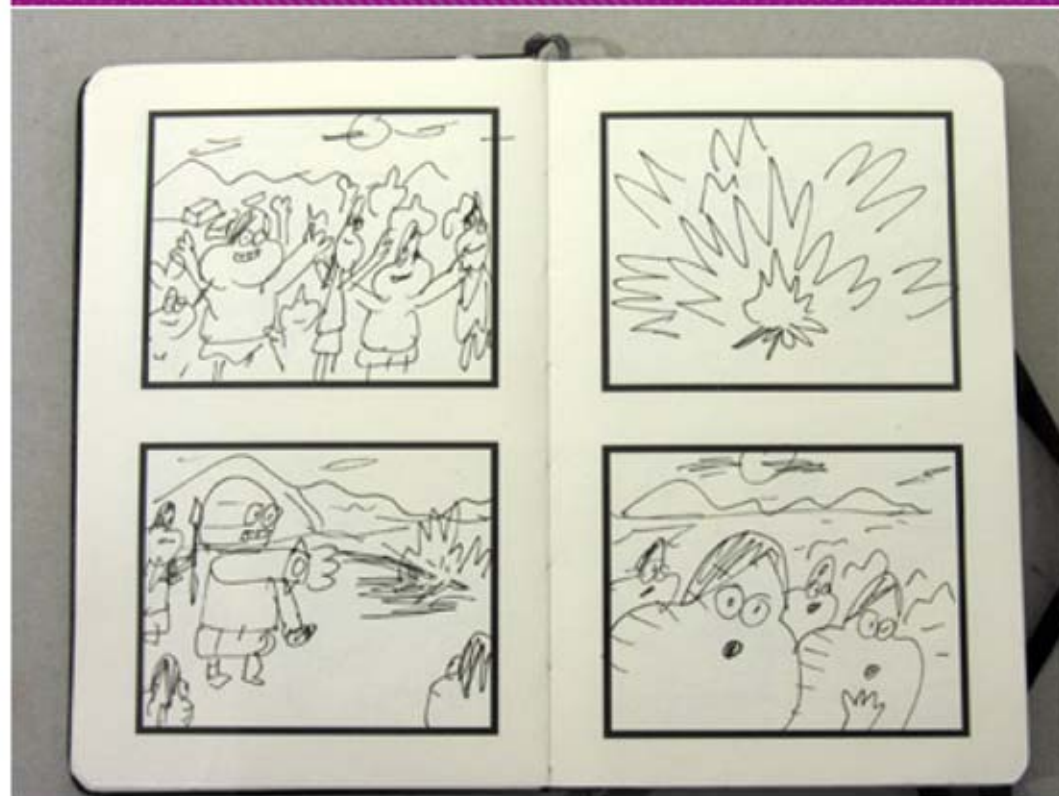

### Field Notes [permalink](#)

If you're anything like us, you geek out over pocket-sized notebooks. We're thinking that [Field Notes](#) might give our [Moleskine's](#) a run for their money.

## From NEW YORK 05/31/07

### Detour: Moleskine Notebook Experience [permalink](#)

What is it with the cult of Moleskine? [Detour: The Moleskine City Notebook Experience](#) is an exhibition of 70 notebooks created by architects, artists (that's [James Jarvis'](#) notebook pictured above), designers, illustrators and writers that opens tomorrow at The Art Directors Club. Take note!
