

## myDetour SFO

myDetour San Francisco, the much anticipated 7th installment of the international myDetour experience, will make its debut in the Bay Area on September 10 and continue through October 1.

The renowned traveling exhibition will showcase a collection of original notebooks created by a diverse group of writers, artists, poets, graphic designers and photographers from around the world.

In addition to the nomadic and innovative traditions of the myDetour exhibits, many of the creations will reflect the theme of the San Francisco exhibition, "District of You", a tribute to the places, sights and surroundings that serve as the sources of many artists' inspiration.
