Moleskine - Company information

CULTURE, IMAGINATION, MEMORY, TRAVEL, PERSONAL IDENTITY

The Moleskine brand was born in 1997, reproducing the legendary notebook of artists and thinkers of the past two centuries. Since January 1, 2007, Moleskine has also become the name of the company that owns the worldwide trademark rights for the brand. Moleskine Srl creates, manufactures and distributes the wellknown notebooks and their various offsprings. The company grew out of the experience of Modo&Modo, the small Milanese publishing house which, in 1997, created the Moleskine® brand, thus rediscovering and reviving an extraordinary tradition. In the autumn of 2006, Modo&Modo was purchased by SGCapital Europe, with the aim of fully developing the potential of the Moleskine brand.

Moleskine Srl is a small creative company in constant growth. Today, Moleskine Srl has around 50 employees and a vast network of partners and collaborators, located in Milan, Italy. Its American affiliate, Moleskine America Inc., is stationed in New York and it was founded in early of 2008.
